

WANTED DEAD

Squarrose Knapweed

- Perennial.
- Simple tap root, long lived.
- 1 to 3 feet tall
- Likes disturbed sites.
- Flowers heads form in singles or pairs at the tip of each stem.
- Flowers are rose pink in color.
- 3 to 4 seeds are produced per flower.
- The tip of each bract generally curves backward toward the base of the flower.
- Seed heads fall off as soon as the seeds mature.
