Information You Need To Know

**Take this section
with you.**

You may use this application to apply for any of the programs listed below at the county Department of Social Services where you live.
Anyone has the right to apply for help at any time.

**Do I have to be a
U.S. citizen to
apply for
assistance?**

No, you do not have to be a U.S. citizen to apply for assistance. Please do not let the fear of the U.S. Citizenship and Immigration Services (U.S.C.I.S.) stop you from seeking benefits for your family. Receiving health coverage and food Assistance for your eligible children will not stop you from gaining lawful permanent residence or U.S. citizenship, but receiving other types of aid may.

You do not have to provide a Social Security Number, nor will we contact U.S.C.I.S., for anyone not seeking benefits.

**How do I apply
for assistance?**

To apply you must complete an application and turn it in at the county department where you live.

- You may mail, fax or drop it off in person.
- You may be required to attend an interview.
- You may have family, friends or the county help you complete this form.

	Your identification, such as picture ID or drivers license;
	Social Security numbers or proof of application for everyone requesting benefits. If you state on the application that you have a Social Security Number, you will need to provide proof;
	Proof of current wages or income for your household, such as pay stubs, award letter, employer letter, Social Security, child support;
	Proof of resources (assets), such as checking, savings, vehicles, CD's, IRA's, stocks, life insurance, burial policies;
	Proof of status in this country such as Visa, Legal Permanent Resident Card, Passport, or Employment Authorization Card for everyone you are applying for;
	If someone is pregnant, proof of when the baby is due (letter or statement from a health care provider or doctor);
	Information on any parent(s) not living in the home of the children you are applying for;
	Health insurance card or policy; and/or
	Proof of expenses such as day care, rent, mortgage, utilities, child support or medical costs.

The Programs We Offer - Food Assistance

Food Assistance is a program to assist with the cost of food. Anyone may apply. If you are eligible, you must receive your benefits within certain time frames (see page 4 under "Processing Time"). If you need food right away and you meet certain guidelines, you will be entitled to expedited Food Assistance.

For Food Assistance, you must provide proof of your alien status if you are not a United States citizen. Citizenship is only verified if it is questionable. If you are not applying but are part of the household, no alien documentation or Social Security numbers are required.

You can immediately file an application with the applicant's name, address and signature of a responsible household member or household's authorized representative. Benefits will be paid from the filing date. The filing date is different if the household is in an institution and applying for Food Assistance and SSI at the same time. In this case, the filing date is the date of release from the institution. The filing date is the date your application is received in the food stamp office.

The Food Stamp household must have an interview, the interview may be over the phone. You can leave the first page and take the application home to complete. You can then bring, mail or fax the application to the Food Stamp office.

You may use an authorized representative to apply for Food Assistance and another, separate authorized representative to use your EBT card.

Title VI of the Civil Rights Act of 1964 allows the State to ask for racial/ethnic information. You do not have to state your racial/ethnic information and not giving the information will not affect the application. Your county worker will complete this information if it is not answered. You have a right to request a fair hearing orally or in writing if you disagree with any action taken on the case.
