POINTS	VIOLATION	VIOLATION ID
10 pts.	<b>Hands clean &amp; properly washed</b> Comment: <b>(Corrected)</b> Observed employee wash hands in food preparation sink. Hands shall be washed at designated hand sinks only. Sinks used for food preparation or warewashing shall not be used for handwashing. Corrected by explaining proper hand wash procedures and policies.	08
5 pts.	<b>Proper date marking and disposition</b> Comment: <b>(Corrected)</b> Found container of corn dogs and large bin of chopped salad greens stored beyond discard date. Ready to eat foods requiring temperature control that are held for more than 24 hours shall be labeled with the date prepared or opened, and shall be held for a maximum of 7 days or by manufacturer use-by date, whichever occurs first. Corrected by discarding.	23
2 pts.	<b>Physical facilities installed, maintained, &amp; clean</b> Comment: Found missing ceiling tile directly above dry storage rack. Ceiling tiles or surfaces shall be kept clean and in good repair. Correct immediately.	55
2 pts.	<b>Adequate ventilation &amp; lighting; designated areas used</b> Comment: Found missing hood vent with fryer actively in use. Ventilation hoods and filters shall be maintained clean, and in place at all times grease production is occurring. Correct immediately.	56
