POINTS	VIOLATION	VIOLATION ID
10 pts.	<p>Adequate handwashing sinks properly supplied and accessible</p> <p>Comment: (Corrected) The prep line hand sink did not have a mixing valve and the hot water measured 135F; impeding the ability to wash hands without scalding. Sinks shall be supplied with hot and cold running water under pressure at all times. An employee adjusted the hand sink supply valves under the hand sink and it then measured 100F. Violation corrected on site. The hand sink at the front beverage station was not equipped with paper towels. Hand sinks shall be provided with an adequate supply of soap and paper towels at all times. An employee restocked the paper towels. Violation corrected on site.</p>	10
