POINTS	VIOLATION	VIOLATION ID
10 pts.	Certified Food Protection Manager Comment: Facility does not have certified food protection manager, or could not provide certification at time of inspection. At least one employee that has supervisory and management responsibility and the authority to direct and control food preparation and service shall be a certified food protection manager who has shown proficiency of required information through passing a test that is part of an accredited program. Correct by next regular inspection. Handout provided.	02
5 pts.	Procedures for responding to vomiting and diarrheal events Comment: (Corrected) Facility does not have a plan that meets requirements for clean-up of illness-related events. A food establishment shall have procedures for employees to follow when responding to vomiting or diarrheal events that involve the discharge of vomitus or fecal matter onto surfaces in the food establishment. The procedures shall address the specific actions employees must take to minimize the spread of contamination and the exposure of employees, consumers, food, and surfaces to vomitus or fecal matter. Provided handout to be posted. Corrected during inspection.	05
0 pts.	Approved thawing methods used Comment: (Corrected) Observed cow tongue sitting on drainboard side of food preparation sink during inspection. Foods measured at a temperature of 30F but was not being thawed by one of the approved thawing methods. Food shall be thawed in one of the following ways: under refrigeration, completely submerged and with packaging removed under cold running water where it does not allow any portion of ready-to-eat foods to rise above 41 F, or any portion of raw animal food to be over 41 degrees for more than 4 hours, in the microwave or as part of the cooking process, or using any procedure if thawed and prepared for immediate service. Employee moved cow tongue. Corrected during inspection.	35
