POINTS	VIOLATION	VIOLATION ID
10 pts.	Toxic substances properly identified, stored & used Comment: (Corrected) All purpose cleaner was found stored over the food preparation sink. All purpose cleaner was also found stored next to pizza dough. Poisonous or toxic materials shall be stored so they do not contaminate food, equipment, utensils, linens or single-service articles. Corrected by moving cleaners to designated chemical storage area. An unlabeled chemical spray bottle was found next to the mop sink. Chemical spray bottles shall be labeled with the contents to ensure proper use. Corrected by labeling spray bottle as to contents.	28
5 pts.	Consumer advisory provided for raw/undercooked food Comment: Raw mussels are offered on the menu without a consumer advisory asterisk. The house salad and the seasonal pasta were asterisked, but do not containing raw or undercooked animal proteins. The clause "cooked to order" was also not present. Establishments shall include asterisking the animal-derived foods requiring disclosure to a footnote that states "These items are cooked to order" followed by one of the following statements: 1. Regarding the safety of these items, written information is available upon request; 2. Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness; or 3. Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness, especially if you have certain medical conditions. Correct as soon as possible, but before 30 days.	25
