# REAL PROPERTY APPEAL FORM

If you disagree with the "current year actual value" or the classification determined for your property, you may file an appeal by mail or in person with the County Assessor. Completing the Real Property Questionnaire will help you determine an estimate of value for your property, which can be compared to the value determined by the Assessor. Colorado law requires application of the market approach to value for residential properties (includes apartments) and consideration of the cost, market, and income approaches to value for vacant land, commercial, and industrial properties.

ATTACH ADDITIONAL DOCUMENTS AS NECESSARY

**(Do not send original documents, they will not be returned.)**

**MARKET APPROACH (ALL PROPERTY TYPES):** This approach to value uses sales from the 18-month period ending **June 30, 2012**. If data is insufficient during this time period, the Assessor may also consider data from the 5-year period ending **June 30, 2012**. Statute prohibits the Assessor from using appraisal data after **June 30, 2012**.

To help estimate the market value of your property, please list sales of similar properties that have sold in your neighborhood. A copy of an appraisal prepared prior to **June 30, 2012** may be helpful in estimating the market value of your property.

**COST AND INCOME APPROACH:** For vacant land, commercial and industrial properties the Assessor must also consider the cost and income approaches to value. If your commercial or industrial property was not leased from January 2011 through June 2012, please complete the market approach section above. To assist the Assessor in evaluating your appeal, and if your property was leased during January 2011 through June 2012, please attach an operating statement indicating your income and expense amounts. Attach a rent schedule indicating the square footage and rental rate for each tenant occupied space. If known, attach a list of rent comparables for competing properties.
