# VALUATION INFORMATION

Your property was valued as it existed on January 1 of the current year. The tax notice you receive next January will be based on this value.

- All property in Colorado is revalued every odd numbered year. 39-1-104(10.2)(a), C.R.S.
- For Tax year 2023, Actual Values for residential improved property and commercial improved property will be reduced by \$15,000 and \$30,000 respectively. These reductions have a floor of \$1,000 in assessed value.
- The appraisal data used to establish real property value was from the 18-month period ending June 30, 2022. 39-1-104(10.2)(a), C.R.S. If data is insufficient during this time period, the Assessor may also use data from the 5-year period ending June 30, 2022. State statute prohibits the use of appraisal data after June 30, 2022; that data will be considered in the 2025 reappraisal. 39-1-104(10.2)(d), C.R.S.
- An assessment rate will be applied to the actual value of your property before property taxes are calculated.
- A change in the assessment rate is NOT grounds for objection or abatement of taxes. 39-5-121(1), C.R.S.
- If you would like information about the approach used to value your property, please contact your county assessor.

## REAL PROPERTY APPEAL FORM

If you disagree with the "current year actual value" and/or the classification determined for your property, you may file an appeal by mail or in person with the County Assessor. Completing the Real Property Questionnaire will help you determine an estimate of value for your property, which can be compared to the value determined by the Assessor. Colorado law requires application of the market approach to value for residential properties (includes apartments) and consideration of the cost, market, and income approaches to value for vacant land, commercial, and industrial properties.
